# **Pitt County Resource Guide for Children with Special Needs**

**PITT COUNTY LOCAL INTERAGENCY COORDINATING COUNCIL**  
*SERVING CHILDREN WITH SPECIAL NEEDS*

As a parent, you know your child better than anyone. If you suspect that your child may have a developmental delay, special need or other medical condition, talk to your child's doctor, public health nurse, child care provider or other professional.

The Pitt County Local Interagency Coordinating Council (LICC) is a group of professionals who work with children with special needs and their families in Pitt County. We share information and advocate for children with special needs through meetings, outreach and professional services. Parents are welcome to attend our bimonthly meetings at ChildLinks in Greenville. Contact Lynne Carter 252-902-2353 for more information. The following resources have been compiled to assist you in finding services that may have a positive impact on your child's life and your family.

-Pitt County Local Interagency Coordinating Council
